Why should I pay for rental insurance?

Our Rental Insurance plans provide our customers with a sense of security during their castle rental. Accidents do happen! And Kingston Bouncy castle Rentals has established very cost friendly, experience based insurance plans that have both our castles and YOU in mind! Our plans essentially cover damage to our castles from normal wear. Rental Insurance is NOT refundable, regardless of the condition of the castle upon return.

If you choose to decline our Rental Insurance Option, and the castle is returned damaged (*), there will be a deduction made from your security deposit.

(*)Kingston Bouncy Castles holds the incontestable, legal right to declare and pursue what is considered damage to our castles, and what amount will be deducted from the given security deposit. Please see our RENTAL AGREEMENT for specific information on damage penalties.

What is not covered under Kingston Bouncy Castle's Rental Insurance?

Damages due to negligence on the part of the renter will NOT be covered by our RENTAL INSURANCE option. The RENTAL INSURANCE will be deemed VOID if the rules and regulations stated in our RENTAL AGREEMENT are not followed, and damage to a rental unit occurs.

For example: If you purchase rental insurance, but the castle is returned with puncture holes throughout the castle you rental insurance would be void as you failed to comply with the following rule from our Rental Agreement ([link](#)).

10) Absolutely no pets, toys or sharp instruments on the inflatable at any time. Any damage to the inflatable from failure to follow this rule will incur a \$75.00 damage penalty.
